As used in this chapter:

- (1) "Commissioner" means the Commissioner of Motor Vehicles unless otherwise stated.
- (2) "Department" means Department of Motor Vehicles unless otherwise stated.
- (3) "Operate" includes an attempt to operate and shall be construed to cover all matters and things connected with the presence and use of all-terrain vehicles whether they be at motion or rest.
- (4) "Secretary" means the Secretary of Natural Resources.
- (5) "All-terrain vehicle" or "ATV" means any nonhighway recreational vehicle, except snowmobiles, having no less than two low pressure tires (10 pounds per square inch, or less), not wider than 64 inches with two-wheel ATVs having permanent, full-time power to both wheels, and having a dry weight of less than 1,700 pounds, when used for cross-country travel on trails or on any one of the following or a combination thereof: land, water, snow, ice, marsh, swampland, and natural terrain. An ATV on a public highway shall be considered a motor vehicle, as defined in section 4 of this title, only for the purposes of those offenses listed in subdivisions 2502(a)(1)(H), (N), (R), (U), (Y), (FF), (GG), (II), and (AAA); (2)(A) and (B); (3)(A), (B), (C), and (D); (4)(A) and (B) and (5) of this title and as provided in section 1201 of this title. An ATV shall not include an electric personal assistive mobility device.
- (6) "Club or association" means an all-terrain vehicle club or association. (Added 1983, No. 240 (Adj. Sess.), § 1; amended 1987, No. 76, § 18; 2001, No. 69, § 9; 2001, No. 91 (Adj. Sess.), § 10; 2003, No. 66, § 217a; 2007, No. 184 (Adj. Sess.), § 4; 2009, No. 50, § 82; 2015, No. 50, § 25.)

#### § 3502. Registration

(a) An all-terrain vehicle may not be operated unless registered pursuant to this chapter or any other section of this title by the State of Vermont and unless the all-terrain vehicle displays a valid Vermont ATV Sportsman's Association (VASA) Trail Access Decal (TAD) when operating on a VASA trail, except when operated:

- (1) On the property of the owner of the all-terrain vehicle.
- (2) Off the highway, in a ski area while being used for the purpose of grooming snow, maintenance, or in rescue operations.

(3) For official use by a federal, State, or municipal agency and only if the all-terrain vehicle is identified with the name or seal of the agency in a manner approved by the Commissioner.

(4) Solely on privately owned land when the operator is specifically invited to do so by the owner of that property and has on his or her person the written consent of the owner.

(5) By a person who possesses a completed TAD form processed electronically and either printed out or displayed on a portable electronic device. The printed or electronic TAD form shall be valid for 10 days after the electronic transaction. Use of a portable electronic device to display a completed TAD form does not in itself constitute consent for an enforcement officer to access other contents of the device.

(b) The provisions of section 305 of this title shall apply to a registration, except the registration of a vehicle registered under subsection 3504(b) of this title shall become void on the last day of February next following the date of issue.

(c) The registration of an all-terrain vehicle does not constitute a license to cross or operate an all-terrain vehicle on public or private lands.

(d) An all-terrain vehicle which does not comply with the provisions of this chapter may not be registered by the Commissioner.

(e) An all-terrain vehicle owned by a person who is a resident of any other state or province shall be deemed to be properly registered for the purposes of this chapter if it is registered in accordance with the laws of the state or province in which its owner resides. (Added 1983, No. 240 (Adj. Sess.), § 1; amended 2001, No. 75 (Adj. Sess.), § 11; 2007, No. 76, § 33b; 2009, No. 50, § 80; 2015, No. 50, § 26, eff. June 3, 2015.)

### **§ 3503. Transfer of registration**

The registration of an all-terrain vehicle ends when the owner transfers title to another person. The former owner shall immediately return to the Commissioner the registration certificate and plate previously assigned to the transferred all-terrain vehicle with the date of sale, name, and residence of the new owner endorsed on the back of the certificate. When a person transfers the ownership of a registered all-terrain vehicle to another person, files a new application and pays a fee of \$12.00, he or she may have registered in his or her name another all-terrain vehicle for the remainder of the registration year without payment of any additional registration fee. (Added 1983, No. 240 (Adj. Sess.), § 1; amended 1995, No. 120 (Adj. Sess.), § 5; 2015, No. 159 (Adj. Sess.), § 51.)

### **§ 3504. Registration fees and plates**

(a) The registration fee for all-terrain vehicles other than as provided for in subsection (b) of this section is \$45.00. Duplicate registration certificates may be obtained upon payment of \$6.00 to the Department.

(b) Any person engaged in the business of selling or exchanging all-terrain vehicles, as defined in subdivision 4(8) of this title, shall register and obtain registration certificates and identifying number plates subject to rules which may be adopted by the Commissioner and

to the requirements of chapter 7 of this title. A manufacturer of all-terrain vehicles may register and obtain registration certificates and identifying number plates under this section. Plates shall be valid for the following purposes only: testing; adjusting; demonstrating; temporary use of customers for a period not to exceed seven days; private business or pleasure use of the person or members of his or her immediate family; and use at fairs, shows, or races when no charge is made. Fees for registration and registration certificates shall be \$62.00 for the first certificate issued to any person and \$6.00 for any additional certificate issued to the same person within the current registration period. Fees for temporary number plates shall be \$5.00 for each plate issued. (Added 1983, No. 240 (Adj. Sess.), § 1; amended 1989, No. 51, § 48; 2001, No. 102 (Adj. Sess.), § 31, eff. May 15, 2002; 2007, No. 76, § 33c; 2015, No. 50, § 5; 2015, No. 57, § 30; 2015, No. 159 (Adj. Sess.), § 52; 2019, No. 70, § 8.)

### **§ 3505. Equipment**

(a) All all-terrain vehicles shall be equipped with one or more headlights, a red rear light all in working order, and brakes in good mechanical condition and be equipped with an efficient muffler and such other equipment and devices as may be required to meet the noise level specifications of subsection (b) of this section, and if equipped with a windshield it shall be free from sharp or jagged edges. Lights shall be on during operation from 30 minutes after sunset to 30 minutes before sunrise.

(b) Subject to regulation by rule of the Commissioner, any all-terrain vehicles shall be equipped with a muffler system and such other equipment or devices which reduce maximum machine operating noise to a noise level of not more than 82 decibels on the A scale at 50 feet, in a normal operating environment.

(c) No person shall sell or offer to sell within the State of Vermont an all-terrain vehicle unless it complies with the sound requirements specified in subsection (b) of this section. No all-terrain vehicle shall be equipped in any manner which permits the operator to bypass the muffler system; no person shall sell or offer to sell at either wholesale or retail a replacement exhaust muffler system which will not meet or exceed the exhaust noise reduction capabilities of the all-terrain vehicle. In addition, any person selling or offering to sell an all-terrain vehicle or replacement muffler system, whether at wholesale or retail, shall include in the specifications, precise information concerning the designed maximum sound levels of the all-terrain vehicle or replacement muffler system.

(d) This section and section 3504 of this title shall not apply to any all-terrain vehicle entered into a racing contest sponsored by a racing or all-terrain vehicle organization or association during the period the all-terrain vehicle is actually participating in or practicing or preparing for a racing event at an area especially provided for the purpose.

(e) The provisions of section 1222 of this title shall not apply to any all-terrain vehicle registered pursuant to this chapter.

(f) Every all-terrain vehicle shall be equipped with a U.S. Forest Service qualified spark arrester. (Added 1983, No. 240 (Adj. Sess.), § 1; amended 1991, No. 123 (Adj. Sess.), § 2.)

(B) the operator has, on his or her person, the written consent of the owner or lessee of the land to operate an all-terrain vehicle in the specific area and during specific hours and/or days in which the operator is operating, or the all-terrain vehicle displays a valid TAD decal as required by subsection 3502(a) of this title that serves as proof that the all-terrain vehicle and its operator, by virtue of the TAD, are members of a VASA-affiliated club to which such consent has been given orally or in writing to operate an all-terrain vehicle in the area in which the operator is operating;

(C) the owner of the land has designated the area for use by all-terrain vehicles by posting the area in a manner approved by the Secretary to give reasonable notice that use is permitted.

(4) On any public land, body of public water, or natural area established under the provisions of 10 V.S.A. § 2607 unless the Secretary has designated the area for use by all-terrain vehicles pursuant to rules promulgated under provisions of 3 V.S.A. chapter 25.

(c) No public or private landowner shall be liable for any property damage or personal injury sustained by any person operating or riding as a passenger on an all-terrain vehicle or upon a vehicle or other device drawn by an all-terrain vehicle upon the public or private landowner's property, whether or not the public or private landowner has given permission to use the land, unless the public or private landowner charges a cash fee to the operator or owner of the all-terrain vehicle for the use of the property or unless damage or injury is intentionally inflicted by the landowner.

(d) In addition to all other requirements, an all-terrain vehicle may not be operated:

(1) if equipped with an exhaust system with a cut out, bypass, or similar device; or

(2) with the spark arrester removed or modified, except for use in closed course competition events.

(g) Notwithstanding any other provision of law or rule to the contrary, the Commissioner may authorize the temporary operation of all-terrain vehicles not registered in this State on Route 253 in Beecher Falls for an annual special event, provided the all-terrain vehicle is registered in another state or province. (c) Law enforcement officers may conduct safety inspections on all-terrain vehicles stopped for other all-terrain vehicle law violations on the VASA Trail System. Safety inspections may also be conducted in a designated area by law enforcement officials. A designated area shall be warned solely by blue lights either on a stationary all-terrain vehicle parked on a trail or on a cruiser parked at a roadside trail crossing. (Added 1983, No. 240 (Adj.
